

Starry Night at the Barataria Preserve: Join Us for a Night under the Stars Friday, March 11

Join the Barataria Preserve Park Rangers and the Pontchartrain Astronomy Society for an evening of night hikes and star gazing. The Astronomy Society will give a brief presentation on the night skies of south Louisiana and how to use telescopes. Once the sun sets, the group will head out on the Visitor Center Trail for a night hike.

The Pontchartrain Astronomy Society will provide telescopes for the group, but you may bring your own equipment as well!
